SCAN Fact Sheets, Advanced Practice Guidelines, and Articles

Sports, Cardiovascular and Wellness Nutrition Dietetic Practice Group of the Academy of Nutrition and Dietetics (SCAN) offers Fact Sheets, Advanced Practice Guidelines, and Articles [*Materials*] to its members free of charge and for a small fee to non-SCAN members. The Materials are evidenced-based and created by SCAN Registered Dietitian Nutritionists (RDNs) to provide timely and accurate information related to SCAN's areas of practice (Sports Nutrition, Wellness, Cardiovascular Health, Disordered Eating and Eating Disorders).

By purchasing or downloading for free and using the Materials, you are agreeing to these Terms of Use. Any use of Materials not permitted by this Agreement is a breach of the Terms of Use and may violate copyright laws.

Copyright Information

Materials may not be altered in any way. Users may not remove SCAN, Academy, or other logos included on Materials. Users may not add their own logo, personal and/or corporate contact information.

Reproduction

Users may reproduce materials, without alteration, for educational purposes for use with patients, clients, and/or consumers. Users may elect to have Materials professionally printed for quality purposes. Materials may not be stored in a retrieval system for others to use (e.g. shared cloud storage). Digital files [Originals] of the Materials may not be shared with multiple users; each individual wishing to user/reproduce materials with patients, clients, and/or consumers must purchase or download files to their own personal account on www.scandpg.org. If there exists sufficient evidence that Originals/Materials are being shared between multiple users, SCAN reserves the right to suspend use of Materials.

Web Use

Materials may not be posted directly to your website or any other website (collectively referred to as "third-party websites"). Third-party websites may elect to direct users to individual Fact Sheet pages on SCAN's website (www.scandpg.org) or to SCAN's online store where users may purchase and download Materials for their own use. Third-party websites must include the following copy: ""Click Here to access evidence-based educational nutrition resources created by SCAN Registered Dietitian Nutritionists (RDNs)" and utilize an external link. The SCAN logo cannot be used on any third-party website.

Commercial Use

Materials may not be reproduced for commercial sale for profit either individually or bundled with other products. Non-profit organizations with a 501(c)(3) classification may charge a nominal fee for reproduced materials in order to cover cost of reproduction so long as the sale of the Materials does not

result in a profit. However, requests must be made in writing to the SCAN office (director@scandpg.org).

Waiver

SCAN Fact Sheets, Advanced Practice Guidelines, and Articles are for educational purposes only and are not intended to be a substitute for individualized consultation, counseling, education, or treatment by an RDN or other medical professional. Patients, clients, and consumers are advised to review the information provided in the Materials with their RDN. Healthcare professionals and exercise professionals (such as athletic trainers and physical therapists) using these Materials need to be mindful of their professional scope of practice when using these materials in their practice.

SCAN aims to provide unbiased information and does not recommend or endorse any specific products, programs, or services. SCAN wishes to avoid possible conflicts of interests involving the development of nutrition education resources. All authors and editors that contributed to development of these Materials informed SCAN of any financial arrangements, affiliations, or other relationships that may constitute a conflict of interest relative to the subject matter of the nutrition education resource.

Materials are provided on an “AS IS” basis and without any warranty, implied or otherwise, regarding the Materials’ accuracy, reliability, or completeness; there is no substitute for professional advice. You accept all risk of use associated with the Materials and release SCAN, the Academy, and its partners from liability to the fullest extent permitted by law.

Changes to the Terms of Use

SCAN may change these Terms of Use at any time. Any modifications and/or changes become effective immediately and replace all prior Agreements, once they are posted to the SCAN website. User agrees to routinely review Terms of Use Agreement and to be familiar with them. Additionally, each time user utilizes purchased SCAN Materials or Materials that were downloaded for free, User agrees to these Terms of Use.
